大会简介

中欧科学家论坛暨第四届临床医学与智能器械国际会议(CMID 2025)

“中欧科学家论坛”由德国、法国、荷兰、瑞士、丹麦、意大利、西班牙、奥地利等海内外知名院士、教授等科学家三十余人共同签名发起举办，论坛以中欧科学家为核心、共建科技年会为主要载体，依托海外科技协会，弘扬科学精神，为中欧科学家服务，并进一步加强中欧之间学术交流与合作，弘扬中欧之间民间友谊。

作为“中欧科学家论坛”的平行论坛，第四届临床医学与智能器械国际会议（CMID 2025）将于2025年10月31日-11月2日在德国海德堡召开。本次会议旨在为来自全球医疗健康、生命科技、临床医学、智能器械等领域的专家、学者、业界代表提供一个高水平的学习和交流平台，共同探讨相关领域的前沿问题，以推动生、医、工、信等多学科交叉融合与产业高质量发展，进一步推动生命科技与临床医学、智能器械的融合发展，促进产学研合作的国际化。

CMID 会议已在德国汉堡（2022 年）、比利时布鲁塞尔（2023 年）和德国法兰克福（2024 年）成功举办三届。CMID 2025 致力于汇聚临床医学等相关领域的专家学者，探索前沿研究，交流经验，促进临床实践的进步。本次研讨会主题包括但不限于临床医学与创新、智能医疗设备和技术应用、医学中的大数据和人工智能、医疗设备和生物力学进展等。

Introduction

4th International Symposium on Clinical Medicine and Intelligent Devices (CMID 2025)

The China-Europe Scientists Forum was jointly initiated and held by more than 30 well-known academicians, professors, and other scientists from Germany, France, the Netherlands, Switzerland, Denmark, Italy, Spain, Austria, and other places at home and abroad through a joint signature. The forum, with China-Europe scientists at its core and the joint construction of a science and technology annual conference as the main vehicle, relies on overseas science and technology associations to promote the spirit of science, serve China-Europe scientists, and further strengthen academic exchanges and cooperation between China and Europe, as well as promote the friendship between the people of China and Europe.

As a parallel forum of The China-Europe Scientists Forum, the 4th International Conference on Clinical Medicine and Intelligent Medical Devices (CMID 2025) will be held in Heidelberg, Germany, from October 31 to November 2, 2025. This conference aims to provide a high-level learning and exchange platform for experts, scholars, and industry representatives from the global fields of healthcare, life sciences, clinical medicine, and intelligent medical devices. It will bring together participants to jointly explore cutting-edge issues in these fields, in order to promote the cross-integration of multiple disciplines such as biology, medicine, engineering, and information technology, as well as the high-quality development of related industries. It will also further advance the integrated development of life sciences with clinical medicine and intelligent medical devices and promote the internationalization of industry-university-research cooperation.

To date, the CMID conference has been successfully held in Hamburg, Germany (2022), Brussels, Belgium (2023), and Frankfurt, Germany (2024). CMID 2025 will continue as a sub-forum of the China-Europe Scientists Forum, bringing together experts and scholars from the fields of clinical medicine and intelligent devices. The aim is to explore cutting-edge research, exchange experiences, and promote advancements in clinical practice. This symposium will address various aspects of clinical medicine and intelligent devices, including, but not limited to, clinical research, pharmacology, intelligent devices, and smart technologies.
